No. 190.—In exercise of the power conferred by sect on 1 of the Madras Irrigation Cess Act, 1865 (Madras Act VII of 1865), the Governor in Council is hereby pleased to make the following amendment to the rules for the levy of water-cess in the East Godavari, West Godavari and Kistna districts published with Revenue Department Notification No. 245 at page 153 of Part I of the *Fort St. George Gazette*, dated 31st May 1932, as subsequently amended :—

AMENDMENT.

After the proviso to rule II of the said rules, the following further proviso shall be added namely :—

"Provided further that when water from the Bangarappa tank in the Gopalapuram village, Polavaram taluk, East Godavari district, is supplied or used for the regular irrigation of crops water-cess shall, subject to the deduction mentioned in the first proviso to this rule, be levied at the rate of Rs. 6, Rs. 4-8-0, Rs. 3 or Rs. 2 per acre according as the crop irrigated is of the first second, third or fourth of the descriptions specified below."

Fort St. George, July 14, 1931
(G.O. No. 1391, Revenue).

No. 191.—A large area on the banks of the Cauvery in the Trichinopoly district used to be irrigated by channels with open heads into which water was diverted by kurambus constructed every year, in the Cauvery river; the supply in the channels was neither sufficient nor continuous; the kurambus were frequently washed away by freshes during the course of construction and gaps formed in them with deep scours; the supply was often affected by changes in the bed level of the river and the movement of shoals; in 1924 the floods in the river greyed the bed so deeply that many of the channels were put out of action. The South Bank Canal was constructed in 1926 at a cost of Rs. 10 lakhs to provide regular irrigation for about 46,000 acres of land formerly irrigated by kurambu channels. There was also a demand for the construction of a bed regulator across the Cauvery to ensure the regular supply of water in the South Bank Canal and to supply water to the Trichinopoly district as a part of the Cauvery Mettur Project. Investigation was made and it was found that an additional area of 19,000 acres of land could be irrigated by an extension from the South Bank Canal by improvement of duty. The High Level Channel Scheme was the result, and the work is in progress. The bed regulator was completed in May 1933.

In order to recover interest on the capital spent in the construction of these schemes as well as the cost of maintenance, water-cess is levied at enhanced rates obtained by raising the original rates of the wet land assessment. Besides the saving in the cost of construction of kurambus it is proposed to levy water-cess on lands already irrigated or to be newly brought under irrigation under the South Bank Canal and the High Level Channel, at the same rates as those approved for the Sramasamudram Canal on the north bank of the Cauvery. In order, however, to encourage the speedy development of irrigation it is proposed to levy only one-third of the full rates to fasli 1343 and 1344 for irrigation under the Kattalai High Level Channel.

The following draft of the rules which the Governor in Council proposes to make in exercise of the power conferred by section 3 of the Madras Irrigation Cess Act 1865 (VII of 1865), is hereby published for general information, as required by section 3 of Madras Act V of 1903. Notice is hereby given that the draft will be taken into consideration three months after the publication of this notification and that any objection or suggestion which may be received from any person with respect thereto within the period aforesaid will be considered by the Governor in Council

DRAFT RULES FOR THE LEVY OF WATER-CESS FOR THE IRRIGATION OF CROPS IN THE TRICHINOPOLY DISTRICT WITH WATER FROM THE SOUTH BANK CANAL OR FROM THE KATTALAI HIGH LEVEL CHANNEL.

I. For the purpose of these rules—

(a) Irrigation is said to be regular, when the crops are irrigated—

(i) in case the land is ryotwari wet land, from the source assigned to the land and in accordance with the conditions under which it is registered as wet in the Government registers, or

(ii) under and in accordance with the terms of a permit in force issued by the Executive Engineer, or

(iii) in case the land is of the description referred to in clause (b) of rule II, from the source assigned to the land and in accordance with the conditions under which it is recorded or registered as wet.

All other irrigation of land is irregular

(b) A second crop is a crop grown on land on which a first irrigated crop not being a dalsual crop, has already been grown in the same fasli.

(c) A third crop is a crop grown on land on which either two irrigated crops or an irrigated dalsual crop has already been grown in the same fasli.

(d) A dry crop (such as green grain and pulse) which is sown before, and is not separately irrigated after, the harvest of an irrigated crop grown on the same land shall not be deemed to be an irrigated crop.

(e) A dalsual crop is a crop which normally remains on the ground for more than six months such as sugarcane, betel and turmeric.

Explanation I.—Cocoanut and other plantations of trees which are usually irrigated for more than six months are dalsual crops. Cocoanut trees more than three years old shall not be regarded as 'irrigated crops' unless they are irrigated otherwise than by percolation. Where isolated cocoanut trees are grown on bunds of fields or elsewhere, every tree shall be charged as occupying one cent.

Explanation II.—Any variety of paddy which is harvested only once will be considered to be a single crop irrespective of the period for which water is required for it.

II. When water from the South Bank Canal or from the Kattalai High Level Channel or from any source connected with either of them is supplied for the regular irrigation of crops water-cess shall be levied at the following rates :—

(a) For the irrigation of crops on dry lands in ryotwari or proprietary villages, including thinai kuam dry lands—

(i) for a first irrigated crop not being a dalsual crop, Rs. 15 per acre;

(ii) for a second irrigated crop not being a dalsual crop Rs. 7-8-0 per acre;

(iii) for an irrigated dalsual crop, Rs. 22-8-0 per acre; and

(iv) for a third irrigated crop, Rs. 3-12-0 per acre; and

(b) for the irrigation of crops on lands in proprietary villages recorded as wet in a record of rights prepared by the Government or on minor inam wet lands in ryotwari or proprietary villages—

(i) for a first irrigated crop not being a dalsual crop, Rs. 7-8-0 per acre,

(ii) for a second irrigated crop not being a dalsual crop, Rs. 7-8-0 per acre;

(iii) for an irrigated dalisal crop, Rs. 15 per acre ; and

(iv) for a third irrigated crop, Rs. 3-12-0 per acre.

Provided that no rate to be charged in respect of fasli 1344 or fasli 1345 for irrigation from the Kattalai High Level Channel or from any source connected with it shall be one third of the said rates.

III. When the water cannot be used for irrigation without raising it by boring or by means of a mechanical contrivance, a reduction of Rs. 3 per acre for an irrigated dalisal crop, of Rs. 1 per acre for a first irrigated crop not being a dalisal crop, and of Re. 1 per acre for a second irrigated crop not being a dalisal crop or for a third irrigated crop, shall be made from the said charges under these rules :

Provided that the deduction to be made in respect of fasli 1344 or fasli 1345 for irrigation from the Kattalai High Level Channel or from any source connected with it shall be at one third of the said rates.

IV. The lands specified in a permit issued by the Executive Engineer may be irrigated until the permit is withdrawn, or cancelled by the Executive Engineer by cancellation in the district gazette and if a sluice or pipe is shown in the permit the lands shall be irrigated only from that sluice or pipe. No applications for such permits are necessary.

V. Notwithstanding anything contained in the foregoing rules, the Government reserve the right, with or without reasons given, to discontinue either temporarily or permanently, the supply of water to any land, to alter the source of supply of water to any land, and to modify the method of charging for water and the rates at their discretion.

VI. For the irregular irrigation of crops with water from the South Bank Canal, from the Kattalai High Level Channel or from any source connected with either of them, water-cess shall be levied in accordance with the rules contained in Revenue Department Notification No. 538, dated the 8th May 1933, published at pages 739–740 of Part I of the *Fort St. George Gazette*, dated the 23rd May 1933, as altered or amended from time to time.

LAW DEPARTMENT.
(Legislative.)

PRESS COMMUNIQUÉ.

Fort St. George, July 24, 1934
[G.O. No. 120, Law (Legislative)].

No. 24.—Paragraph 8 of Part I—Madras—of Schedule II to the Legislative Assembly Electoral Rules now in force lays down that a person shall be qualified as an elector for the Landholders constituency of the Legislative Assembly if his name is registered on the electoral roll of any Landholders' constituency of the Legislative Council of the Governor of Madras. The latter roll has not, however, been revised since 1929. In connexion with the coming elections for the Legislative Assembly, the preliminary roll for the Landholders' constituency has been prepared on the basis of the roll of 1924 and published. It is possible that several persons whose names are not on the Legislative Council Electoral Roll of 1929, have become entitled to registration on that roll during the last few years but they could not, under the rule as it stands, be included in the Legislative Assembly Electoral Rolls. The question of obviating the exclusion of such persons by amending paragraph 8 so as to enable the inclusion in the rolls of the names of persons who have become entitled to registration since 1929 is under the consideration of the Government. If this proposal is finally approved, the latest date for the receipt of claims already fixed under the programme of dates for the preparation of electoral rolls will have to be extended in order to enable persons who are entitled to have their names registered in the electoral rolls to present their applications to the Registration Officers concerned. Pending final decision on the proposal, the Governor in Council accordingly directs in partial modification of Circular No. 7, dated 3rd July 1934, published in Notification No. 36, Law (Legislative), dated the 3rd July 1934 on page 1100 of Part I of *Fort St. George Gazette*, dated the 3rd July 1934, that the dates for the filing of claims and objections before the Registration Officer and the publication of the list of claims, objections and corrections shall, in the case of the Landholders' constituency of the Legislative Assembly be fixed as follows.—

(1) *Filing of claims and objections before the Registration Officer.*—Not later than Tuesday the 31st July 1934.

(2) *Publication of the list of claims, objections and corrections.*—Not later than Thursday the 2nd August 1934.

Delhi, the 10th December 1924.

No 1039.—IN THE MATTER OF THE CHARITABLE ENDOWMENTS ACT VI OF 1890 AND IN THE MATTER OF THE SILVER WEDDING FUND.

Whereas the Fund known as the Silver Wedding Fund (hereinafter called the said Fund) subscribed as an offering to Her Majesty the Queen Empress as a token of loyalty and affection on the occasion of the 25th Anniversary of Their Imperial Majesties' Wedding was, at the request of Her Majesty, vested in the Treasurer of Charitable Endowments for the Punjab (by Notification No. 2152, published in Part I of the *Gazette of India*, dated the 25th October 1919), for the purposes therein mentioned:

And whereas by Notification No. 985, published in Part I of the *Gazette of India*, dated the 2nd August 1924, the said Fund as it then existed was transferred to the Treasurer of Charitable Endowments for Bengal for the purposes aforesaid:

And whereas it being found that the said Fund is greater than is required for the purposes set out in the said Notification No. 2152, dated the 25th October 1919, Her Majesty the Queen-Empress graciously intimated her willingness that, subject to the sanction of the Court being obtained, the purpose for which the said Fund should be applied, be extended so as to include the purposes set out in the following recital:

And whereas in a suit in the High Court of Judicature at Fort William in Bengal, No. 1267 of 1924, instituted Advocate-General of Bengal and another *vs.* Captain S. hereafter take part in subsequent war-like operations." And it was ordered and decreed that the defendants, the Administrators of the said Fund, give effect to the objects of the said Trust in the manner hereinbefore declared and apply the said Fund towards the same those who come under the said objects as extended by the said decree, and the Administrators of the Fund have accordingly applied to the Governor-General in Council to amend the said Notifications Nos. 3152 and 965.

And whereas the said Fund now comprises the securities and cash specified in Schedule 'A.'

Now in pursuance and exercise of the powers conferred by and by virtue of sections 4 and 7 of the Charitable Endowments Act, 1890, and any other powers thereto enabling in supersession of the said Notification No. 3152, dated the 20th October 1916, and Notification No. 965, dated 2nd August 1924, it is hereby ordered by the Governor-General in Council that the said Fund, which is now vested in the Treasurer of Charitable Endowments for the territories subject to the Government of Bengal under Notification No. 965, dated the 2nd August 1924, on the terms therein mentioned, shall now be vested upon the following terms, that is to say, that the said Fund and the income thereof shall be devoted to and applied for the education and maintenance of children and dependents of Indian officers and soldiers (including non-combatants) who rendered military service under the Crown during the Great War or who took part or may hereafter take part in subsequent war-like operations in accordance with the scheme settled by the Governor-General in Council on the application of the Administrators under powers conferred by sections 5 and 7 of the said Charitable Endowments Act, a copy of which is set forth in Schedule 'B' hereto.

An occasional scholarship may be awarded from the Fund from time to time for higher training outside India. No applications are invited for such a scholarship, but Directors of Public Instruction are at liberty to submit the applications of suitable candidates before the first of January of the year in which they desire to pursue their studies in Europe. The following suggestions of the Board of Examiners for the Government Technical Examinations (Commerce) is published for the general information of heads of Commercial Institutions in the Presidency and of the candidates offering themselves for the Technical Examinations in Typewriting, especially, the Higher grade :—

"THE BOARD IS OF OPINION THAT THE INSTRUCTION IMPARTED TO THE PUPILS IN THE CONSTRUCTION AND WORKING OF TYPEWRITERS IS DEFICIENT AND THE TESTS CONDUCTED BY THE BOARD REVEAL THE FACT THAT THERE IS LITTLE REAL UNDERSTANDING BY THE CANDIDATES OF THE MECHANISM OF TYPEWRITERS. IT IS ALSO TO BE NOTED THAT CANDIDATES POSSESS VERY LITTLE KNOWLEDGE OF DUPLICATING MACHINES THE SETTING OF THE STENCIL AND THE TAKING OF COPIES ON THE DUPLICATOR. INSTITUTIONS PRESENTING CANDIDATES FOR THE EXAMINATIONS IN THE SUBJECT SHOULD PAY MORE ATTENTION TO THIS PART OF THE SYLLABUS."

STATEMENT OF OBJECTS AND REASONS.

More than fourteen years have elapsed since the Madras City Municipal Act, 1919, was passed. The need for a comprehensive amendment of the Act has been felt for a long time and the Corporation of Madras has had the matter under consideration off and on for some time past. The Corporation appointed a committee for the purpose in 1925. In 1929, the Government constituted a committee of ten members to suggest amendments to the Act. After considering

the proposals made from time to time for the amendment of the Act, including the recommendation of the Committee appointed by the Corporation in 1925, and also Bills introduced or proposed to be introduced in the Madras Legislative Council, the Committee constituted by the Government suggested draft amendments to the Act. These amendments have been examined in detail and the present Bill has been drafted to give effect to such of them as are acceptable to Government. It also embodies certain provisions similar to those incorporated in the Madras Local Boards Act, 1920, and Madras District Municipalities Act, 1920, by the Amending Acts X and XI of 1930. The main changes introduced in the Act by the present Bill are summarized below.

I.—CONSTITUTION AND FRANCHISE.

2. It is proposed to widen the franchise and adopt the same qualifications as are prescribed in the White Paper for electors in constituencies other than special constituencies for the new Madras Provincial Legislative Assembly. This will also facilitate the preparation of the electoral rolls. The qualifications fixed in the White Paper are only provisional and may undergo some modifications in their final form. They are, therefore, embodied in a schedule to the Bill and power is taken to amend the schedule as and when occasion requires by means of a resolution approved by the Legislative Council

3. In view of the need for readjusting the divisions in the city some of which are unwieldy and in view of the widening of the franchise it is proposed to increase the strength of the Council from 50 to 60 and to distribute the seats as shown below :—

Divisional Councillors	40
Institutional seats—	
The Madras Chamber of Commerce and the Madras Trades Association	6
The Southern India Chamber of Commerce	3
The Nattukkottai Nagarathars Association	1
The Southern India Skin and Hides Merchants Association	1
The Piecegoods Merchants Association	1
The Anglo-Indian Association	1
The Madras Port Trust	1
The Railways	1
Total ..	15
Aldermen	5
Total ..	60

The system of nominations as it at present exists will go and the representation of minority communities will be secured, not by reservation of seats as is the case in mufassal local bodies, but by so adjusting the divisions in the city as to secure as far as possible the return of members of the various communities, e.g., Nungambakkam division, could be so subdivided as to return a member of the depressed classes representing cheris and a European from the other half. Similarly, predominantly Muslim areas could be expected to return Muslim members. Power is proposed to be taken to alter the boundaries of the divisions from time to time.

4. As regards institutional seats, the existing representation allowed to the University will disappear as the extension of the franchise to literate adults will secure them adequate representation. It is proposed that the Madras Chamber of Commerce and the Madras Trades Association should be clubbed together and allowed to elect six joint representatives instead of sending separate members as at present. The seats allotted to the South Indian Chamber of Commerce will be increased from two to three. The three other large mercantile associations, viz., the Nattukottai Nagarathars Association, the Skins and Hides Merchants Association and the Piecegoods Merchants Association, will be given one representative each. The Anglo-Indian Association and the Port Trust will retain their single seats as at present. It has been thought necessary to allow the Railways (the Madras and Southern Mahratta and South Indian Railways combined), one representative in view of the important interests they have in the city.

5. It is proposed to adopt the system of aldermen which obtains in Calcutta where they are elected from outside the Council. Five aldermen seats are provided out of a total of sixty to the Council.

6. It is also proposed to provide for nomination by Government of 'experts' who will be allowed to vote and speak on the special subjects for which they are appointed. They will have the further right to participate in the debate on any other subject but will not have the right to vote on such subject. Their number will be limited to three at a time and will be in addition to the total strength of 60.

7. The term of the councillors is proposed to be increased from three to four years. This is consequent on the proposal that 10 out of the 40 divisional councillors should retire each year. Provision is made for the making of an oath or affirmation of allegiance to the Crown by councillors and aldermen as in Calcutta and as in the case of the mufassal local bodies. The Council is to elect a Deputy Mayor to whom the Mayor may delegate any of his functions.

8. The number of statutory standing committees is proposed to be increased from 4 to 6 by the addition of two committees, one to deal with town-planning development and improvements and the other for accounts. Provision is also made enabling the Corporation to constitute additional standing committees with the previous sanction of the Government.

9. The present Act permits of the appointment of joint committees out of 2 or more standing committees of the Corporation for purposes for which they are jointly interested, but does not contain any provision as in the Madras District Municipalities and the Madras Local Boards Acts for formation of joint committees to consider questions pertaining to the Corporation and other adjacent local bodies for purposes in which they are jointly interested. A provision for this purpose has been inserted

II.—FINANCE.

10. *General.*—The procedure for levying or making a change in the rate of levy of any tax or duty has been brought into line with that laid down in the Madras District Municipalities Act. Provision has been made requiring the sanction of the Local Government for abolishing or reducing an existing tax or duty. It has also been provided that no proposal to alter the rates or duties in the same year in which the resolution adopting them has taken effect should be considered without the sanction of or a direction from the Local Government. This is intended to minimise undesirable jugging with taxation for election purposes. The constitution of the Standing Committee as an intermediate appellate authority between the Commissioner and the Court of Small Causes in the matter of appeals against assessment is peculiar to the Madras City Municipal Act. In Bombay and Calcutta no such tribunal exists. It is, therefore, proposed to do away with appeals to the Standing Committee in respect of taxation and to make the Small Causes Court the authority to which appeals in such matters lie.

11. *Tax on advertisements.*—Provision has been made for the levy of a tax on advertisements with the previous sanction of the Government.

12. *Property tax.*—The minimum rate of property tax is proposed to be fixed at the present rate, viz., 15½ and a maximum rate of 20 per cent has also been provided. Provision is also made for the levy of this tax either in proportion to the value of each building or in systematic progression with the value of the building or land as in the Madras Local Boards Act. This amendment is based on the principle that the owner of property of greater value should pay tax at a higher rate than the owners of less valuable properties. The

minimum annual value below which property will be exempt from payment of tax has been raised from Rs. 18 to Rs. 36 which is the present figure adopted by the Corporation with reference to the existing provisions of the Act. No definite period has been specified in the existing Act, as to when general revision of assessments of property tax should take place. The present practice is to revise assessments once in five years. The Madras District Municipalities Act contains specific provision in this regard. It is, therefore, proposed to make a similar specific provision in the Bill.

13. *Tax on carts.*—The maximum rate of tax has been raised from Rs 4 to Rs. 8 per half year.

14. *Tax on timber.*—It has been found that the system of grant of refunds has led to abuses and defalcations. It is, therefore, proposed to provide for the levy of a non-refundable tax at a flat rate and to exempt all timber brought into the city in the course of transit to any place out of the city by rail or water.

15. *Power of Corporation to borrow money.*—There is no provision in the present Act requiring previous publication of applications of the Corporation for loans required by it. As a matter of expediency and in public interest it is necessary that the public and the tax-payers should be given an opportunity to object to any proposal of the Corporation to borrow. It is, therefore, proposed to provide that no loan should be raised otherwise than in accordance with the procedure prescribed in the Local Authorities Loans Act, 1914 (IX of 1914), and the rules issued thereunder, which require previous publication of all loan applications.

16. *Budget.*—The existing Act permits the Corporation to utilize the unexpended balances of budget allotment of a year for expenditure in the next year for the completion of the works for which the allotment was made. It is considered undesirable to retain this procedure as it has the effect of confusing the financial position of the Corporation as gauged by its budget. Moreover such a procedure is not in vogue in respect of provincial finances. Some changes have also been made extending the time for completing the various steps in the budget procedures and making it clear that the statutory minimum balance of one lakh of rupees prescribed should be under the general funds.

III.—MISCELLANEOUS.

17. The absence of a provision in the Act for the compulsory metering of all house service connexions has long been felt. The Bill provides for the compulsory metering of all house service connexions within two years from the

date on which the Bill becomes law and for the recovery of the cost of house connexions, metering, etc., from the owners of premises.

18. As in the Madras District Municipalities and Madras Local Boards Acts, provision has been made for the recovery from the persons concerned towards the cost of special sanitary and other arrangements which may be necessary in connexion with fairs, festivals, or like purposes in the city or in its neighbourhood which attract a large number of persons. Similarly it is proposed to empower the Corporation to recover expenses incurred by reason of damage arising from the passing of excessive weight or extraordinary traffic over public streets.

19. *Chawls, bustling grounds, etc.*—A new chapter has been introduced incorporating the provisions of the Calcutta City Municipal Act, relating to the improvement of the bustees, i.e., areas containing land occupied by or for the purpose of any collection of huts, with a view to enable the Corporation to exercise necessary and effective control over owners of huts in slum areas of the city in regard to the sanitation of chawls and the provision of other necessary amenities thereto.

20. *Eating houses, tea shops, etc.*—The scope of the provisions of section 270 of the existing Act has been extended to eating houses, tea shops, coffee houses, restaurants, etc., and a definition of lodging house has been added. The provisions of the Bill in this regard follow those of the Calcutta Municipal Act.

21. *Control over places used for working of oil engines, rice mills, etc., in residential areas.*—It is proposed to give the Corporation greater control over such places and as in the case of district municipalities to give the Corporation power to exercise control with the previous sanction of Government over factories, oil engines, etc., situated within 3 miles of the city.

22. *Compulsory revaccination.*—In 1923 the Corporation proposed that the Act should be amended so as to enable the Corporation to enforce revaccination whenever it considered necessary to do so. The City Municipal Act (Amendment) Committee also considered that the Corporation should have such power. Outbreaks of smallpox have become almost annual and the public have not taken to revaccination in any large measure. It is, therefore, proposed to empower Corporation to enforce revaccination.

23. *Objects of expenditure of municipal funds.*—The Act does not contain any specific reference to expenditure on the acquisition of house-sites outside municipal limits. Schemes relating to relief of congestion may involve acquisition of

sites outside the city. The Madras District Municipalities Act provides for expenditure of municipal funds on acquisition of congested areas and provision of new sites whether within or without municipal limits to relieve congestion and to provide for growth of population. The Madras District Municipalities Act also provides that the municipal fund may be applied subject to such rules or special orders as the Government may prescribe or issue, outside the municipality, if the expenditure is authorized by the Act or is specially sanctioned by Government. It is proposed to insert provisions similar to those in the Madras District Municipalities Act referred to above.

24. *Adjudication of disputes between local bodies and Corporation.*—A new provision has been inserted corresponding to section 369 of the Madras District Municipalities Act empowering Government to decide disputes between the Corporation and other local bodies.

25. The notes on clauses explain in detail the reasons for the other provisions in the Bill. Many of these have been inserted with reference to the corresponding provisions in the Madras District Municipalities and Madras Local Boards Acts as amended in 1930.

NOTES ON CLAUSES.

Clause 2—*Sub-clause* (1).—This sub-clause is necessary as the subject of Local Self-Government is administered by a Minister after the Reforms of 1919.

Sub-clause (2).—This sub-clause makes the consequential changes which are necessary in some places on account of the substitution of 'Local Government' for 'Governor in Council' effected by sub-clause (1).

Clause 3—*Sub-clause* (i).—The definition of 'Adi-Dravida' is necessary in view of the special provisions made for their benefit in the Bill—vide section 59 as amended by clause 39 and new Schedule II-A.

Sub-clause (ii).—This addition has been made with a view to prevent the projection of verandas, steps or any portion of the building except as prescribed in the building rules.

Sub-clause (iii).—The word 'divisional' has been omitted as there will be elected councillors representing institutions in addition to divisional councillors. The addition of the word 'alderman' has been rendered necessary by the proposal to provide for the election of alderman by the Councillors.

Sub-clause (iv).—The definition of 'cheri' or 'hutting ground' follows closely the definition of 'bustee' in section

3 (10) of the Calcutta Municipal Act, 1923. This definition has been rendered necessary by the addition of a whole chapter in the Bill (Chapter X-A) in regard to cheras.

Sub-clause (v)—*New clause* (9-A).—The definition of 'company' is based on the definitions of 'company' added to the District Municipalities and the Local Boards Acts in 1930. Reference in those definitions to 'firms and associations' has, however, been omitted as the intention is that unincorporated firms and associations should be assessed to profession tax and not to companies' tax. It has been made clear that the definition of 'company' includes co-operative societies. Attention is invited to the proviso to section 110 (1) (added by clause 62) by which the Corporation has been given power to permit the assessment of co-operative societies to profession tax in lieu of the companies' tax.

New clause (9-B)—*Definition of 'cream'*.—This has been taken from the definition in the Madras Prevention of Adulteration (Amendment) Act, 1927.

New clauses (9-C) *and* (9-D)—*Definitions of 'dairy' and 'dairyman.'*—These have been taken from the Calcutta Municipal Act.

New clause (9-E)—*Definition of 'dairy produce'*.—This has been inserted with a view to have a term to denote milk and all its products.

Sub-clause (vi)—*New clause* (10).—This is based on existing clause (10) of section 3 with the omission of typhoid fever and the inclusion of anthrax, chicken-pox, leprosy and rabies in the list of dangerous diseases.

Sub-clause (vii)—*New clause* (10-A).—The definition of 'food' follows that given in the Madras Prevention of Adulteration Act, 1930.

Sub-clause (viii)—*New clause* (13).—The definition of 'latrine' has been revised so as to make it more comprehensive.

New clause 13-A.—The definition of 'milk' has been taken from the definition contained in the Madras Prevention of Adulteration (Amendment) Act, 1927.

Sub-clause (ix)—*New clause* (14-A).—This is based on the definition of 'nuisance' given in section 3 (14) of the Madras District Municipalities Act.

Sub-clause (x)—*New clause* (15).—The addition is based on the definition of 'occupier' found in the Calcutta Municipal Act.

Sub-clause (xi)—*Clause* (16).—This has been recast with reference to the definitions of 'ordinary vacancy' and 'ordinary election' given in section 3 (16) of the Madras District Municipalities Act.

Sub-clause (xii).—This is intended to make the meaning of the definition of 'public street' clear—please see section 3 (21) of the Madras District Municipalities Act as amended in 1930

Sub-clause (xiii)—*New clause* (20-A).—The definition of 'public water-course' is based on that given in section 3 (22) of the Madras District Municipalities Act.

Sub-clause (xiv)—*Clause* (23).—The changes are intended to make the meaning clear.

Sub-clause (xv)—*New clause* (25-A).—The definition of 'scavenger' follows that contained in section 3 (28) of the Madras District Municipalities Act.

Sub-clause (xvi)—*New clause* (26-A).—The definition of 'water-course' is based on that given in section 3 (30) of the Madras District Municipalities Act.

Clause 4—Section 5 (1).—This increases the strength of the council from fifty to sixty. The number of divisional councillors has been increased from thirty to forty and provision has been made for fifteen institutional councillors. The remaining five will be aldermen elected by the rest. No councillors will be nominated by the Government, but provision has been made for the appointment by Government of special councillors (not exceeding three in number at any time) having special knowledge or experience of particular subjects who will participate in the proceedings of the council relating to their subjects.

Clause 5—*Section* 6.—Two new standing committees for dealing respectively with accounts and town-planning and improvements are constituted. The council has also been enabled with the previous sanction of the Local Government to constitute additional standing committees.

Clause 6—*Section* 8.—This is consequential on the increase in the strength of the council effected by clause 4.

Clause 7—*Section* 15.—The changes made by this clause have become necessary as certain officers of Government are now entitled to passages and as the rule-making power has been delegated to the Local Government in respect of officers under their control.

Clause 8—*Section* 16.—This makes consequential changes.

Clause 9—*Section* 18.—This is consequential on the changes made in section 85 providing for the appointment of electrical engineer and of other officers to work as heads of departments under the Commissioner

Clause 10—*Section* 20 (2), (3) *and* (4).—The substitution of 'Accounts Standing Committee' for 'Taxation and Finance Standing Committee' made by sub-clause (1) is due to the fact that the functions referred to in section 20 (2) will properly appertain to the former Standing Committee which is to be newly constituted. Provision has however been made in new sub-section (3) for the exercise by the Taxation and Finance Standing Committee of the functions referred to in clause (b) of section 20 (2). A few verbal alterations have also been made in sub-clause (d) so as to make the meaning clear.

New sub-section (4) lays down that the council should sanction such staff as may be reasonably required by the Accounts and the Taxation and Finance Standing Committees to discharge their functions.

Clause 12—*New section* 25-*A*.—This is new and is based on section 12-B of the Madras District Municipalities Act which prohibits the chairman, vice-chairman or any councillor from receiving any salary or other remuneration for services rendered by him in any capacity whatsoever.

Clause 13—*New section* 27-*A*.—The new section is based on section 26 of the Madras District Municipalities Act and section 30 of the Madras Local Boards Act which provide for the appointment of a joint committee of a council or local board and other local authorities for the purposes in which they are jointly interested. Such a provision seems to be necessary especially for the decision of disputes between the Corporation and the Saidapet Municipality or the Chingleput District Board in regard to town-planning, apportionment of proceeds from entertainment tax, etc.

Clause 14—*Section* 28.—Provision has been made for the election of a Deputy Mayor and consequential changes have been carried out.

Clause 15—*Section* 29.—Amendments consequential on the provision for the election of a Deputy Mayor have been made. It has been made clear that the term of office of the Mayor, Deputy Mayor and chairmen of standing committees commences as soon as they are elected.

Clause 17—*Section* 31.—The approval of the Local Government has been made necessary for the making of supplementary regulations. This power has been taken in order to prevent misuse of the power to adjourn meetings. There

have been several cases of adjournment of meetings for obvious political reasons. It has also been made clear that if any supplementary regulations are inconsistent with the provisions of rules subsequently made, the regulations would be void to the extent of such inconsistency.

Clause 18—*Section* 32.—Mostly makes consequential changes. It has been made clear that the presiding councillor or alderman can exercise the powers of the Mayor or chairman only during the period he actually presides over the meeting—cf. section 28 of the District Municipalities Act.

Clause 19—*Section* 34.—Sub-section (6) which prohibits a member who has a pecuniary interest in the question coming up for discussion before the Council or Committee from voting thereon and the Explanation thereto which makes the meaning clear, are based on sub-section (5) of section 30 of the Madras District Municipalities Act and the Explanation thereto.

Clause 20—*Section* 35.—Provision has been made for members of standing committees resigning by giving notice to the Mayor instead of to the chairman. Consequential changes due to the creation of the new office of Deputy Mayor have also been made. A separate sentence with regard to the date from which the resignations will take effect has been added as in the corresponding section 31 of the Madras District Municipalities Act.

Clause 21—*Section* 38.—It has been made clear that the Mayor will not be eligible for election as chairman of any standing committee and that if he was at the time of his election as Mayor, the chairman or an elected member of a standing committee, he should cease to hold office as such chairman or member.

Clause 22—*Section* 38-*A*—*New sub-section* (1).—This follows section 12 (6) of the Madras District Municipalities Act and provides for the exercise of the functions of the Mayor by the Deputy Mayor when the office of Mayor is vacant.

New sub-section (2).—This is based on section 18 (1) of the Madras District Municipalities Act and provides for the delegation of functions of the Mayor to the Deputy Mayor.

Clause 23—*Section* 45.—Provision has been made for the division of the city into forty divisions for the purposes of election of councillors. Power has also been taken to alter the boundaries of divisions.

Clause 26—*Section* 46.—The presence of the words 'by ballot' in section 46 necessitates the formal holding of an election even when there is only one duly nominated candi-

date. To avoid this, the words 'by ballot' have been omitted.

Clause 27—*Section* 49.—It is proposed to adopt for voters at municipal elections in the city the qualifications laid down in the White Paper for voters to the Madras Provincial Legislative Assembly. As these are numerous, they have been placed in a schedule. The provisions relating to companies, etc., have also been incorporated in the schedule.

The course adopted has also the advantage of enabling Government to make any modifications therein as and when the qualifications for the provincial legislature are altered.

Clause 28—*Section* 51—*New sub-section* (1).—The qualifications required of aldermen have been made identical with those required of a councillor. Persons who are in arrears in respect of property and profession taxes due by them have been disqualified.

New sub-section (2).—This is based on section 48 (2) of the Madras District Municipalities Act. Government officers will not be eligible for election or for holding office as councillors or aldermen. Questions of disqualification under the sub-section have to be referred to the Government whose decision will be final.

Clause 29—*Section* 52.—New sub-sections (1) and (2) are based on section 49 (1) and (2) of the Madras District Municipalities Act with the omission of clause (*f*) of sub-section (2) of that section. See also sections 12 (1) and (2) of the English Municipal Corporations Act, 1882. Judges of the Small Cause Court will continue to be disqualified.

New sub-section (3) is the same as sub-section (2) of the existing section 52.

New sub-section (4) is the same as the existing section 52 (3) with a few minor alterations.

Clause 30—*Section* 53.—Section 53 has been revised in certain respects with reference to the corresponding section of the Madras District Municipalities Act, viz., section 50.

Clause 31—*New section* 53-A.—The existing Act does not contain any provision in regard to the making of oath or affirmation of allegiance by a councillor as laid down in the Madras District Municipalities and Madras Local Boards (Amendment) Act, 1921. The Calcutta Municipal Act prescribes the oath of allegiance for councillors and aldermen. Provision has therefore been made for the making of an oath or affirmation of allegiance by councillors and aldermen.

Clause 32—Section 54.—Section 54 has been revised with reference to the corresponding section of the Madras District Municipalities Act, viz., section 51.

Clause 33 (1)—*Section* 55.—Section 55 (1) of the existing Act has been made a separate section applicable to all councillors and aldermen. The term of office has been extended to four years in the case of all councillors and aldermen.

Clause 33 (2)—*Section* 55-A.—Sections 55 (2), (3) and (4) have been put as a separate section for reasons of convenience. They relate to the elections of divisional councillors. A minor drafting alteration has also been made.

Clause 35—Section 56-A.—New section 56-A corresponds to section 58 of the existing Act.

New section 56-B provides for the election or appointment of institutional councillors not later than the first day of October immediately preceding the vacancies and for the filling of casual vacancies as soon as possible.

New section 56-C provides for the election of aldermen and for filling casual vacancies in the office of aldermen.

Clause 36—Section 57.—Section 57 has been revised with a view to lay down the procedure to be followed in cases where the same person has been elected for more than one division, or elected or appointed by more than one institution or body.

Clause 37—Section 58.—This is based on section 27 of the District Municipalities Act and provides for the notification of all elections of Mayor, Deputy Mayor and aldermen and all elections or appointments of councillors.

Clause 38—Section 59.—Provision has been made for the making of rules in regard to all matters relating to election not expressly provided for in the Act. It has been made clear that rules may also provide for a deposit being made by candidates, other than Adi-Dravida candidates and the conditions under which such deposits will be forfeited.

Clause 39.—Section 60 has been omitted as unnecessary in view of new section 55 which provides for the term of office of all councillors. Section 61 becomes unnecessary in view of new section 56-B (2) and has consequently been omitted.

Sections 62, 63, 64, 65, 67, 68, 69 and 70 which relate to election offences have been omitted, as necessary provision is contained in Chapter IX-A of the Indian Penal Code which was added in 1920.

Clause 40—*Section* 71.—The has been revised with reference to the corresponding section of the District Municipalities Act, viz., section 60.

Clause 41—*Section* 75.—New sub-section (5) has been added with a view to empower the Commissioner to lend or let out on hire any movable property of the Corporation subject to the conditions prescribed in rules made by the standing committees.

Clause 42—*Section* 76-*A*.—This is new and is based on section 66 of the Madras District Municipalities Act which provides that the Local Government may transfer to the municipal council with its consent the management of any institution or the execution of any work not provided for by the Act provided that the Local Government place the funds required therefor at the disposal of the council.

Clause 43—*Section* 82.—The words ' at the instance of the Commissioner ' have been added in the proviso to sub-section (1). The object of the amendment is to restrict the power of the standing committee to authorize the Commissioner to dispense with tenders to cases where the Commissioner takes initiative in the matter.

Clause 44—*Section* 85.—Provision has been made for the appointment by the council of an electrical engineer and such other heads of departments as the council may consider necessary.

Clause 45—*Section* 86.—This makes a change consequential on sub-clause (i) of the previous clause and also a slight drafting improvement.

Clause 46—*Section* 88—*Sub-section* (1).—The alteration of the words ' thirty-three councillors ' into ' forty members ' is consequential on the increase in the strength of the council from fifty to sixty.

Sub-section (2).—It is not clear whether it is the Local Government or the Corporation which should grant leave to a Government servant who has been lent to the Corporation. A proviso has been added to this sub-section laying down that where such officer is in the service of the Government, such leave shall be granted by the Government.

Sub-section (3).—This has been amended with a view to make it clear that Government servants lent to the Corporation are entitled to leave and other privileges in accordance with the rules and regulations of the branch of Government service to which they belong and in force for the time being and that the Corporation shall pay to the Government such contribution towards their leave allowance, pension, passages,

etc., as may be payable under such rules and regulations. The language of the District Municipalities Act has been adopted.

Clause 47—*Section* 94.—The changes made correspond to those made in section 88 by clause 46.

Clause 48—*Section* 95.—Only sections 86, 88 and 94 are saved at present. The saving has been made general so as to cover all the provisions of the Act. This merely makes the intention clear. It is proposed to require the approval of Government to regulations prescribing qualification for officers whose appointment requires the confirmation of Government.

Clause 49—*Section* 96.—This has been amended on the lines of the corresponding section of the District Municipalities Act, viz , section 75. The second proviso added to sub-section (1) [sub-clause (iii)] is based on section 77 (3) of the District Municipalities Act. This proviso is intended to safeguard the interests of Government servants lent to the Corporation.

Clause 51—*Section* 98.—Provision has been made for the levy of a tax on advertisements with the previous sanction of the Local Government.

Clause 52—*Section* 98-A.—The procedure for levying or making a change in the rate of tax or duty has been brought into line with that found in the corresponding section of the District Municipalities Act, viz., section 78 (3).

It is clearly desirable that the public should have an opportunity of knowing beforehand any proposal to raise the rate of tax or to levy a new tax and expressing their views thereon. It is equally desirable that when the council resolves to levy or increase the rate of tax the public should be made aware of its decision and the date when such levy or increase shall take effect.

Provision requiring the sanction of the Local Government for abolishing an existing tax or duty or reducing (except in the case of the property tax in the case of which a definite minimum rate has been laid down in the Act itself) any tax or duty has also been made.

No proposal to alter the rates or dates in the same year in which the resolution adopting it has taken effect is to be considered without the sanction of or a direction from the Local Government. This prohibition will minimize undesirable juggling with taxation for election purposes.

Clause 53—*Section* 99.—This has been revised with reference to the corresponding section of the District Municipalities Act, viz , section 81 with the omission of the provision occurring in that section relating to scavenging tax and railway tax. Provision has been made for a declaration by the Council as to what proportion of the water and drainage tax is levied in respect of water works; the remainder is to be deemed to be

levied in respect of drainage works. A maximum and minimum rate of property tax has been provided for. The annual value of any building or land the tax for which is payable by the Commissioner will be determined by the Mayor.

Clause 54—*Section* 100—*Sub-section* (2).—This has been revised with reference to the corresponding section of the District Municipalities Act, viz., section 82. The deduction of 10 per cent permissible on account of repairs, etc., has been limited to buildings. The provision in regard to buildings, the annual value of which cannot be estimated has been made clearer and extended to all Government and railway buildings. Furniture, in addition to machinery, will be excluded from valuations under this sub-section.

Provision has also been made that the annual value of a building or land should, where the tax on advertisements is levied, be ascertained without reference to the use made of such building for advertisements.

Clause 55—*Section* 101.—This has been revised with reference to the corresponding section of the District Municipalities Act, viz., section 83, which provides for the exemption of choultries, ancient monuments, etc., from property tax.

Clause 56—*Section* 102.—Provision has been made for the levy of property tax either in proportion to the value of each building or in systematic progression with the value of the building or land as in the Local Boards Act. The principle adopted is that the owner of property of greater value may be required to pay a higher rate of tax than the owner of property of lower value.

The provision contained in proviso (*b*) for the exemption of buildings and lands the annual value of which does not exceed Rs. 36 has been omitted as it has been incorporated in new section 101.

Clause 58—*Section* 105.—This has been revised on the lines of section 87 of the District Municipalities Act. Under this section there should be a demand for vacancy remission and such demand should be made during the half year in respect of which the remission is sought or in the following half-year and not afterwards. Demands for remission should be preceded by notice to the Commissioner.

Clause 59—*Section* 106.—In sub-section (4) it has been made clear that every person who makes a transfer of property without giving notice to the Commissioner is liable to pay the property tax in addition to any other liability which he incurs through such neglect.

Clause 60—*Sections* 107, 108 *and* 108-*A*.—Sections 107 and 108 have been recast on the lines of the corresponding sections of the District Municipalities Act, viz., sections 89 and 90. In section 107 provision has been made for the total remission of tax or enhanced tax in the case of buildings constructed or reconstructed within the last two months of the half-year or destroyed within the first two months and for partial remission in other cases. Section 108 provides for the remission of the tax in the case of exclusion of areas from municipal limits or inclusion of new areas within such limits in the middle of a half-year.

The other Explanation lays down that a touring officer whose headquarters is within the city is liable to profession tax through he has not stayed in the headquarters for the period specified in section 113 provided his connexion with the appointment has subsisted for the period.

Following the corresponding provisions of the Madras District Municipalities Act provision is made for cases where

a person resides in the local limits of one local authority and exercises his profession, art, etc., within the limits of another local authority and the apportionment of profession tax between the local authorities concerned.

Clause 64—*New section* 112.—This follows the existing section. Associations have also been brought within the scope of the section—cf section 94 of the District Municipalities Act.

Clause 65—*New section* 113.—The meaning of the expression 'transacting business' occurring in the sections relating to the companies tax and profession tax has been made clear. Clause 74—*Section* 124.—Sub-sections (1) and (2) have been revised with reference to the corresponding provisions of section 105 (1) and (2) of the District Municipalities Act. In practice it has been found that the system of granting refunds has led to defalcations and abuse. It is therefore proposed to do away with the system of refunds altogether and to introduce a flat rate of tax at Rs. 3-8-0 per ton. No tax will however be levied on any timber brought into the city in the course of transit to any place outside the city and directly removed out of the city by rail, road or water. Consequential changes extending the time fixed for completing the various steps in the budget procedure have therefore been made in sections 154, 155 and 156. The amendments to sections 155, 159 and 162 make it clear that the minimum balance of one lakh of rupees should be under general funds.

Clause 96—*New sections* 171-*A* *and* 171-*B*.—The absence of a provision in the Act for making metering compulsory has long been felt. These sections provide for the compulsory metering of all house-service connexions within two years

from the date on which this Bill becomes law and the recovery of the cost of making the house connexions, metering, etc.

Clause 110—*Section* 218.—The changes made are intended to lay the obligation of complying with the proposals of the Corporation for the lay-out of streets on all the owners concerned. They will be particularly useful in the case of private cheris.

Clause 213—*New section* 423.—This follows section 369 of the District Municipalities Act and empowers the Government to decide disputes between local authorities

New section 414.—This makes provision for bringing into effect the new constitution proposed in the Bill for the council. It is based on section 413 of the Act of 1919, which was repealed by Madras Act III of 1933, with suitable changes. A date has been fixed for the retirement of the old councillors and for the coming into office of the new councillors and aldermen. The new councillors will first meet before this date for the election of the aldermen and at the first meeting of the council after the date mentioned above it will elect the Mayor, the Deputy Mayor and the members of the various standing committees.

The term of councillors having been increased from three to four years, it is necessary that one-fourth of the total number of divisional councillors should vacate office in each year,

Provision has been made for ascertaining which of the councillors should vacate office in the years 1935, 1936 and 1937. The remaining ten divisional councillors as also the alderman will hold their full term of office, that is, until 1st November 1938.

Clause 214—*Schedule II*—*New rule* 1.—The definition of 'member' as meaning both a councillor and an alderman prevents repetition in the body of this schedule.

New rule 2.—Power has been given to the council to fix, if it thinks fit, the days of the monthly meetings. The holding of meetings on holidays has been prohibited.

New rule 3.—Provision has been made for the mode of notice of meetings to the members and for the convening of urgent meetings.

New rule 4 *as revised*.—Provision has been made for the financial statements referred to in this rule being placed at any ordinary meeting held in the specified months instead of only at the general meeting.

Rule 5—*Sub-rule* (1).—The number of members who may require a special meeting to be held has been raised from ten to twelve in view of the proposed increase in the strength of the council.

New rule 7.—This is based on rule 4 of Schedule III to the District Municipalities Act and deals with the admission and exclusion of the public to and from the meetings of the council.

New rule 8.—This corresponds to existing rule 6 and has been revised with reference to the wording of rule 5 of Schedule III to the District Municipalities Act.

New rule 9.—The distinction made in the existing rule 7 (1) between ordinary and special meetings in regard to the quorum has been done away with.

New rule 10.—This is based on rule 8 of Schedule III to the District Municipalities Act and lays down that no resolution of the council shall be modified or cancelled within three months except by a resolution passed at a special meeting by not less than thirty members. This will prevent unnecessary interference with resolutions passed by the council.

New rule 12.—This lays down that the duties, powers, etc., of members shall, save as regards the disqualifications on the ground of residence, apply to non-members who are appointed as members of committees—cf. section 24 of the District Municipalities Act.

New rule 13.—This is based on rule 11 of Schedule III to the District Municipalities Act and provides for the grant of copies of the proceedings and records of the council and

of the standing committees on payment of the fees fixed by the council in that behalf.

New rule 17.—This, corresponding to existing rule 13, makes the exercise of the casting vote compulsory in cases of equality of votes.

Clause 215—*Schedule II-A.*—The qualifications prescribed are the same as those of electors in constituencies other than special constituencies for the new Madras Provincial Legislative Assembly proposed in Appendix V to the White Paper.

Suitable provisions have also been added in respect of companies, associations and joint families on the lines of section 45 (2), (3) and (4) of the District Municipalities Act.

Clause 216.—New Parts I and I-A of Schedule IV have been inserted as in Schedule IV to the District Municipalities Act

New rule 1.—This follows rule 2 of Schedule IV to the District Municipalities Act and provides for the preparation of assessment books by the Commissioner and also for the inspection of assessment books and account books and other records by every tax-payer or his authorized agent.

New rule 1-*A.*—This is based on rule 3 of Schedule IV to the District Municipalities Act and casts a duty on the Commissioner to determine the tax to which each property or person is liable. Taxes payable by the Commissioner would be assessed by the Mayor.

New rule 1-*B.*—This is based on rule 5 of Schedule IV to the District Municipalities Act and provides for the giving of a receipt to every person paying a tax.

New rule 1-*C.*—This follows rule 7 of Schedule IV to the District Municipalities Act and relates to the assessment of buildings and lands to property tax.

New rule 1-*D.*—This follows rule 8 of Schedule IV to the District Municipalities Act and provides for the quinquennial revision of assessment.

New rule 1-*E.*—This lays down that an assessment once made should continue in force until it is revised and until the revised assessment takes effect.

New rule 2.—This follows rule 9 of Schedule IV to the District Municipalities Act and provides for the giving of public notice of the preparation of assessment books and their general revision.

New rule 3.—This is based on rule 8 (2) of Schedule IV to the District Municipalities Act and provides for the revision of property tax assessment books between one general revision and another.

New rule 3-4.—This combines existing rules 4 and 5 into one and recasts the same on the lines of rule 10 of Schedule IV to the District Municipalities Act. The notice served on the party will state that revision petitions may be filed within thirty days from the date of service of the notice in the case of Government, Railway administrations and companies and within fifteen days from such date in other cases.

New rule 4.—This follows rule 11 of Schedule IV to the District Municipalities Act and gives a right to apply for revision of assessment where the value of the property has decreased since the last assessment or revision.

New rule 5.—This follows rule 12 of Schedule IV to the District Municipalities Act.

New rule 6.—This is based on rule 13 of Schedule IV to the District Municipalities Act and lays down the procedure to be followed after the disposal of revision petitions.

New rules 6-*A and* 6-*B*.—These follow rules 14 (2) and (3) and 15 of Schedule IV to the District Municipalities Act and lay down the dates on which a general revision and other corrections made in the assessment books are to take effect and the date on which the first payment of the tax newly assessed or revised should be made.

Clause 216-*A*—*Rule* 7.—The proviso has been made applicable also to companies which have only branch offices in the city and the rates of taxation in the proviso have been increased.

Clause 217.—The heading above the table in rule 8 of Schedule IV has been omitted as inappropriate.

Clause 218—*Schedule IV—Rule* 10.—Provision has been made for the levy of the tax on animals or pigs and goats.

Clause 219—*Schedule IV—Rule* 12.—Property tax has been excluded from the scope of the rule as new rules 2, 3-A and 4 provide for revision petitions in respect of the property tax.

Clause 220—*Schedule IV—Rule* 13.—The reference to property tax in rule 13 has been omitted for the reasons stated in the note on the previous clause. A proviso has been added empowering the Commissioner to extend the period within which notice of objection may be delivered. Payment of the tax based on the assessment prevailing in the year previous to that to which the revision petition relates has been made a condition precedent to the preferring of a revision petition.

New rule 14.—Under the existing rule 14 appeals against orders passed by the Commissioner on revision petitions lie

to the Standing Committee. The construction of the Standing Committee as an intermediate appellate authority between the Commissioner and the Small Cause Court in the matter of appeals against assessment is peculiar to this Act. No such provision exists either in Bombay or in Calcutta. It is therefore proposed to do away with appeals to the Standing Committee in respect of taxation and make the Small Cause Court the appellate authority. The existing rule has, therefore been omitted in *toto*. New rule 14 lays down instead the procedure to be observed in respect of applications for revision preferred to the Commissioner, for which new rules 2, 3-A and 4 make provision.

Clause 221—*Schedule IV—Rule* 15.—The amendment made is consequential. New sub-rule (c) is based on sub-section (3) of section 141 of the Calcutta Municipal Act and lays down that the provisions of Parts II and III of the Indian Limitation Act, 1908, relating to appeals shall apply to every appeal preferred under this rule.

Clause 222—*Schedule IV—New rules* 18-A *and* 19.—These are based on existing rules 18 (c) and 19 as recast with reference to the corresponding rules of the District Municipalities Act, viz., rules 27 and 28.

Clause 223—*Schedule IV—New rules* 20 *and* 21.—*New rule* 20 *is based on rule* 29 of the District Municipalities Act with the omission of the proviso. It provides for the serving of bills on persons for the sums due from them and lays down that where a notice, bill or direction has not been served or given either in the half-year in which the tax became due or in the succeeding half-year, the tax for the half-year first mentioned shall not be demanded.

New rule 21 is based on existing rule 22 as recast on the lines of sub-rules (1) and (2) of rule 29 of Schedule IV to the District Municipalities Act. Provision has been made for the prosecution of the defaulter.

Clause 224—*Schedule IV—Rule* 24.—This has been revised on the lines of the corresponding rule 31 of the District Municipalities Act and provides for the demand of payment of the tax or fee before distraint and the allowing of a period of seven days for payment of the amount and redemption of the property seized.

Clause 225—*Schedule IV—Rule* 25.—This makes a drafting amendment.

Clause 226—*Schedule IV—Rule* 26.—This has been recast on the lines of the corresponding rule 32 of the District Municipalities Act which provides for a second distraint and sale of the property of the defaulter when the amount realized

by the first sale is insufficient for the tax, fee, etc. It lays down also the procedure to be adopted before the sale and provides for the investigation of objections to distraint, etc.

Rule 27.—Provision has been made for the levy of distraint fees with reference to the sum distrained instead of with reference to the value of the property distrained. The scale of distraint fees adopted is the same as that in the District Municipalities Act.

Clause 227—*Schedule IV—Rule* 29 *and new rules* 29-*A*, 29-*B* and 29-*C*.—Rule 29 has been recast on the lines of the corresponding rule 35 of the District Municipalities Act.

New rule 29-*A* is based on rule 35-A of the District Municipalities Act and provides for the recovery of taxes due from persons who have left British India or cannot be found.

New rule 29-*B* is based on rule 36 of the District Municipalities Act and prescribes a penalty for wilful failure to pay the amount due or wilful prevention of distraint.

New rule 29-*C* follows rule 36-A of the District Municipalities Act. It prohibits the Commissioner or any municipal officer or servant from directly or indirectly purchasing any property at any sale of distrained properties under these rules.

Clause 228—*Schedule IV—Rule* 30.—Provision has been made for the maintenance of separate accounts in respect of receipts from the water tax and from the drainage tax in view of the provision made in section 99 as amended by clause 53 requiring the Corporation to declare what proportion of the water and drainage tax is levied in respect of waterworks.

Clause 230—*Schedule V—Rule* 1.—Rule 1 has been revised with reference to the corresponding rule 37 of Schedule IV to the District Municipalities Act and lays down that the municipal funds shall be applicable (i) within the municipality for the purposes referred to in the rule subject to the finance rules and such further rules or special orders as the Government may prescribe or issue, and (ii) outside the municipality if the expenditure is authorized by the Act or specially sanctioned by the Government.

Clause 231—*Schedule V—Rule* 3.—A few amendments have been made with reference to the corresponding rule 39 of Schedule IV to the District Municipalities Act. Expenditure has been authorized on the training of medical practitioners and midwives, the construction of shops, stalls and plinths, the construction of works for the removal or disposal

of sewage and the provision of new sites whether within or without the limits of the city to relieve congestion.

Clause 232—*Rule* 4.—Various items have been added to the list of authorized objects of expenditure under the head of expenditure connected with the public convenience, amenities, etc. Several of these are found in the District Municipalities Act.

Clause 233—*Rule* 5.—The additions made bring the rule into accord with the corresponding rule 42 of Schedule IV to the District Municipalities Act.

Clause 234.—Rule 7 has been omitted as the provision for the payment of contribution by the council to other local authorities has been incorporated in the body of the Act. (See new section 141-A inserted by clause 82.)

Clause 235—*Rule* 12—*Sub-rule* (2).—This is based on rule 55 (2) of Schedule IV to the District Municipalities Act and lays down that if the council has given previous authority in writing, the treasury or bank may pay out of the municipal fund any expenses which the Government have incurred on behalf of the council without any order or cheque.

Clause 236—*Rule* 20—*Sub-rule* (2).—A definite time limit, viz., the end of the year succeeding that to which the audit report relates, has been laid down for the replies of the Corporation with regard to the objections taken in the audit report.

Clause 237—*Rule* 21—*Sub-rules* (1) *and* (2).—A small drafting change has been made in each sub-rule.

New sub-rule (3).—This is based on rule 60 (3) of Schedule IV to the District Municipalities Act and lays down that if the person to whom a copy of the auditor's decision in regard to disallowance, surcharge or charge is furnished refuses to receive it, he shall nevertheless be deemed to have been duly furnished with a copy of such decision. In such cases the period of fourteen days fixed in rules 22 and 23 is to be calculated from the date of such refusal.

Clause 238—*Rule* 23.—A slight drafting improvement has been effected.

Clause 239—*New Schedule VI.*—This is based on existing Schedule VI with some additions and alterations the necessity for which has been felt in practice. The opportunity has been taken to bring the schedule into harmony with the corresponding schedule of the District Municipalities Act wherever possible.

Clauses 240 *and* 241—*Schedules VII and VIII.*—A number of additions and alterations has been made consequent on the additions and alterations made in the Bill. Some additions and alterations have also been made as a result of comparing existing Schedules VII and VIII with the corresponding schedules of the District Municipalities Act, viz., Schedules VII and VIII.

(e) എന്ന ഉപഖണ്ഡപ്രകാരം ഒരു കാര്യനിർവ്വഹണ ഉദ്യോഗസ്ഥനെ നിയമിക്കേണ്ടതുണ്ടെങ്കിൽ, ഒരുയാൾ ഹിന്ദുമതം അനുസരിച്ചുവരുന്ന ആളായിരിക്കണമെന്നുകൂടി കമിറ്റിക്കാർ വ്യക്തമാക്കിട്ടുണ്ട്". ആദ്യം എഴുതി തയ്യാറാക്കിയ ഉപവകുപ്പിൽ ഒരു കാര്യനിർവ്വഹണ ഉദ്യോഗസ്ഥനെ നീക്കം ചെയ്യുന്നതിനുള്ള നിബന്ധന ഉണ്ടായിരുന്നില്ല. ഈ ആവശ്യത്തിനുവേണ്ടി ഒരു നിബന്ധന കമിറ്റിക്കാർ ചേർത്തിരിക്കുന്നു.

6 - ാം ഖണ്ഡം.—ഒരു മഠത്തിന്റെയോ നിലവിലുള്ള ക്ഷേത്രത്തിന്റെയോ വേണ്ടി ബോഡ് ഒരു ചട്ടപ്രതി തീർച്ചപ്പെടുത്തുന്നതിനെ

പ്പുറമിയണ്ട" ഒരു ചണ്ഡം പ്രസ്താവിക്കുന്നു. ഇവിടെയും, പാര മ്പര്യപ്രകാരം ട്രസ്റ്റിമാരുടെ എണ്ണം മാത്രം തിട്ടപ്പെടുത്തുന്നതിനും ഭിന്നമായ അനന്തരാവകാശം അതുകൊണ്ടുണ്ടാകുന്നതിനും മാത്രം ഒരു കായ്ത്തിപ്പുരയെ ഉദ്യോഗസ്ഥനെ നിയമിക്കുന്നതിനും ബോർഡിനു അധികാരമുണ്ടായിട്ടാണ് കമ്മിറ്റിക്കാർ നിബന്ധനചെയ്തിട്ടുള്ളത്.

8 – ാം ചണ്ഡം.—പ്രധാനക്ഷേത്രങ്ങളുടെ കായ്തരണം തൃപ്തികരമായ രീതി പഞ്ചായിലാക്കുകയും അവയുടെ കായ്തരണം നടത്തുന്നതിനുവേണ്ടുന്ന കായ്നിർവ്വഹണ ഉദ്യോഗസ്ഥന്മാരെ നിയമിക്കുകയും ചെയ്യാൻ ബോർഡിനു സാദ്ധ്യമാകണമെന്ന ഉദ്ദേശത്തോടുകൂടി, ക്ഷേത്രങ്ങളെ 'ചരസ്യപ്പെടുത്തുന്നതിനും' വേണ്ടി ഒരു പുതിയ അദ്ധ്യായം ഒരു ചണ്ഡം ചേർക്കുന്നു. ഒരു ക്ഷേത്രത്തെ ചരസ്യപ്പെടുത്തിയാൽ, ചില്ല രണ്ടു പദ്ധതിയൊ അതു പ്രകാരമുണ്ടാക്കിയ ചട്ടങ്ങളൊ നിഷ്കൃഷ്ടമായിത്തീരുന്നതാണെന്നും മറ്റു സംഗതികളുടെ കൂട്ടത്തിൽ ഏതൊരു നിബന്ധന ചെയ്യണമെന്നും ഒരു ക്ഷേത്രത്തെ ചരസ്യപ്പെടുത്തുന്നതു ലാഭകരമാകുമെന്നുള്ളതു കണക്കിലെടുത്തുകൊണ്ടു പ്രധാന കമ്മിഷണറുടെ അഭിപ്രായം ആരായേണമെന്നും, ഒരു തീരുമാനപ്രകാരം ഒരു ചരസ്യം പുനഃപ്പെടുവിക്കുന്നതിനുമുമ്പായി ഒരു ജുഡിഷ്യൽ നടപടി (കോടതിനടപടി) സാദ്ധ്യമായേടത്തോളം അനന്തരമായി നടക്കേണ്ടതാവശ്യമാണെന്നും കമ്മിറ്റിക്കാർ കരുതുന്നു. അതിനാൽ, താഴെ പറയുന്ന കാര്യങ്ങൾക്കായി കമ്മിറ്റിക്കാർ നിബന്ധന ചെയ്തിട്ടുണ്ട്:

(1) അറിയിപ്പിൻ പ്രകാരമുള്ള കാരണങ്ങളാൽ എന്തുകൊണ്ടു മേല്പറഞ്ഞ തീരുമാനപ്രകാരം ഒരു ചരസ്യം പുനഃപ്പെടുവിച്ചുകൂടാവുന്നതിനുള്ള കാരണം കാണിപ്പാനായി ട്രസ്റ്റിക്കൊ അവകാശബന്ധമുള്ള ഏതെങ്കിലും ആൾക്കൊ ബോർഡ് ഒരു അറിയിപ്പ് കൊടുക്കുന്നതിനും;

(2) ട്രസ്റ്റിക്കൊ അവകാശബന്ധമുള്ളതു എന്തെങ്കിലും ആൾക്കൊ വല്ല ആക്ഷേപങ്ങളുണ്ടെങ്കിൽ അവയെപ്പറ്റി ഒരു അന്വേഷണം നടത്തുന്നതിനും;

(3) ബോർഡ് ഒരു തീർപ്പ് കല്പിക്കുകയും ആ തീർപ്പിന്റെ ഫലം പ്രസിദ്ധപ്പെടുത്തുകയും ചെയ്യുന്നതിനും;

(1) ബിൽപ്രകാരം ഏർപ്പെടുത്തുന്നതിനു ഒപ്പിടൽ ബോധ്യപ്പെടുത്തുന്നതിനും;

(2) മേല്പറഞ്ഞ അപ്പീലുകളിലെ ഉത്തരവുകൾക്ക് അവസാനമായി തീർപ്പായ ഒരു പകർപ്പും പ്രസിദ്ധപ്പെടുത്തുന്നതിനും.

ഈ നിയമത്തിന്റെ നിറവേറ്റുന്ന ഉദ്ദേശത്തോടുകൂടി, ഒരു ഭേദഗതിബില്ലിലൂടെ 63-A എന്ന വകുപ്പ് ആക്ടിലേക്കു ചേർക്കുന്നതിനുള്ള നടപടിക്രമം സുഗമമാക്കുന്നതിനുവേണ്ടി മുഴുവനും മാറ്റി എഴുതിയിരിക്കുന്നു.

ഈ വകുപ്പുപ്രകാരം, ഒരു അപ്പീലായത്തിൽ കേസുണ്ടാകുന്നതിനു മുമ്പേ പാരമ്പര്യത്തിലാണുള്ളത്. എന്നാൽ കേസുണ്ടാകുന്നതിനു മുമ്പേ പ്രത്യേക ജാനസംബന്ധമുള്ളവർക്കും മേല്പറഞ്ഞ അപ്പീലായത്തിലെ നിബന്ധനകളെ ചോദ്യം ചെയ്തുകൊണ്ടുള്ള കക്ഷിയാകാൻ കഴിയുകയും ഭാവിയിലെ ആവശ്യമായ കേസുണ്ടാകുന്നതിനും വഴിയുണ്ടാക്കുകയും ചെയ്തിരിക്കുന്നു.

9 - ാം ഖണ്ഡം.— പരസ്യപ്പെടുത്തിയ കേസുണ്ടാകുന്നതിന്റെ സംഗതിയിൽ, ആർക്കൈവിലിരിക്കുന്ന 65-E എന്ന വകുപ്പിലെ നിബന്ധനപ്രകാരം, കേസുകക്ഷിയിലിരിക്കുന്ന ഉദ്യോഗസ്ഥനോ ഇപ്പോഴായിരുന്നിട്ടുള്ളതോ അവർ വല്ല അധികാരം നടത്തുകയോ വല്ല ഭേദഗതി നിറവേറ്റുകയോ ചെയ്യുന്നതു നിന്നുപോകുകയോ ചെയ്യുന്നതിനായും ആവശ്യമായ അധികാരങ്ങളും ഭേദഗതി ബോഡിനു കൊടുക്കുന്നതിനായും, ഒരു കേസും ഒരുകേസുകക്ഷിയിലിരിക്കുകയോ ആയ സന്ദർഭങ്ങളിലും, ഒരു കേസുണ്ടാകുന്നതിനുശേഷം, ബോഡിനു കൊടുക്കേണ്ടതായിരുന്നതും കേസുകക്ഷിയിലിരിക്കുന്നതുമായ കൊടുത്തുതീർക്കുന്നതിനും സിവിൽകക്ഷിയിലിരിക്കുന്നതിനും വിരോധമാക്കിയിരിക്കുന്നു.

11-ാം ഖണ്ഡം.—ഭേദഗതികളുടെ ഉദ്ദേശം തന്നെ കൊണ്ടു വേറെ സഭകളുടെ ഗ്രഹണത്തിനായി സംഘടിക്കുന്നതായിരിക്കുകൊണ്ട് പ്രസ്തുത ഖണ്ഡംമൂലം ചെയ്തിയ ഭേദഗതികൾ തീർപ്പാകാതെ കിടക്കുന്ന വ്യവഹാരങ്ങൾക്കുണ്ടായിട്ടുള്ള കാര്യങ്ങൾ സംബന്ധിപ്പിക്കുന്നതിനെ ഒരു ഖണ്ഡത്തിൽ കൂടിയിരിക്കുന്നതിനു ഒരു നിബന്ധന ചേർത്തിരിക്കുന്നു.

5. ബില്ലിൽ ചെയ്തിയ വ്യത്യാസങ്ങളുടെ ഫലമായോ കാര്യാസംബന്ധമായോ മറ്റു ചില ഭേദഗതികൾ കൂടിയിരിക്കുന്നതിനുണ്ടായിട്ടുണ്ട്. അവയെപ്പറ്റി ഇവിടെ വിവരമായി പറയണമെന്നില്ല.

6. കമ്മിറ്റിക്കാർ ശേഖരിച്ചുണ്ടായിരുന്നതുകയുടെ ബില്ലിന്റെ നാല പകർപ്പ് ഇതോടു ചേർത്തിട്ടുണ്ട്.

7. പ്രസ്തുത ബിൽ വീണ്ടും പ്രസിദ്ധപ്പെടുത്തണമെന്നാണ് കമ്മിറ്റിക്കാർ വിചാരിക്കുന്നു.
